Dear Colleague,

I am pleased to invite you to participate in the **twenty-third Annual International Conference on Materials, Methods and Technologies**, to be held between 19th and 22nd August 2021 in Burgas, Bulgaria.

Further information is available on <https://sci-edu.org/materials>

The event is organized jointly by Bulgarian Academy of Sciences, Union of Scientists in Bulgaria, Science & Education Foundation, Al-Farabi Kazakh National University, Institute of Power Engineering of National Academy of Sciences (Belarus) and Institute of Hydrometeorology of Georgian Technical University (Georgia).

The purpose of this meeting is to bring together researchers and scientists with interests in materials science, engineering, physics, information technologies and communications, robotics and automation to address recent research results and to present and discuss their ideas, theories, technologies, systems, tools, applications, work in progress and experiences. Representatives of **53 universities, institutes, laboratories and other organizations from 22 countries** took part in the previous edition of the conference in 2020.

I look forward to hearing from you and hope that you will be able to take time out of your busy schedule to join us for this occasion.

Sincerely,
Science & Education Foundation
